WARRANT 1994 TOWN MEETING

The Polls will be open from Noon to 8:00 P.M.

To the inhabitants of the Town of Jefferson in the County of Coos in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Town of Jefferson on Tuesday, the eighth day of March next, at 7:30 of the clock in the evening, to act upon the following subjects:

ARTICLE 1: To choose all necessary Town Officers for the ensuing year.**

ARTICLE 2: To see what action the Town will take on the following: Are you in favor of adopting Amendment #5 to the Jefferson Land Use Ordinance as proposed by the Planning Board? Said amendment defines a recreational vehicle and under what conditions a recreational vehicle may be sited in any flood plain area. The additions to the Land Use Ordinance have been specified by the NH Office of State Planning. Failure to adopt this amendment will result in the loss of eligibility for coverage under the National Flood Insurance Program as mandated by the Federal Emergency Management Agency.**

ARTICLE 3: To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray Town charges for the ensuing year.

ARTICLE 4: To see if the Town will vote to raise and appropriate the sum of \$5,000 to add to the Highway Vehicle Capital Reserve Fund.

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of \$3,000 to be added to the Revaluation Capital Reserve Fund.

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of \$200 to be added to the Skating Rink Maintenance Fund.

ARTICLE 7: To see if the Town will vote to establish a Expendable Trust Fund under the provision of RSA 31:19A for the purpose of bridge repair and maintenance and to raise and appropriate the sum of \$3,000 to be placed in the fund with the Selectmen as agents to expend. Selectmen recommend.

ARTICLE 8: To see if the Town will vote to establish a

Capital Reserve Fund under the provision of RSA 35:1 for the purpose of reconstruction of Route 115B and to raise and appropriate the sum of \$3,000 to be placed in the fund with the Selectmen as agents to expend. Selectmen recommend.

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of \$30,000 for the purpose of purchasing 6 acres of land for use as a cemetery, and to authorize the Selectmen to negotiate notes to determine the rate of interest thereon; furthermore, to authorize the withdrawal of \$9,950.94 plus accumulated interest from the Cemetery Capital Reserve Fund created for this purpose; with the balance of \$20,049.96 to be raised by notes. (2/3 ballot) Selectmen recommend.

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of \$12,000 for the purchase of a Municipal Software package, and to authorize the Selectmen to negotiate such notes to determine the rate of interest thereon, to be raised by notes. (2/3 ballot) Selectmen recommend.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of \$525 for a contribution to the Tri-County Community Action Program.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of \$3,390.57 for a contribution to Weeks Home Health Services, Inc.

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of \$1,373 for a contribution to White Mountains Mental Health & Developmental Services.

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of \$600 for a contribution to the Lancaster District Court Juvenile Diversion Program.

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of \$475 for a contribution to the North Country Senior Meals.

ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of \$3,000 to add to the Town Dump Closure Capital Reserve Fund.

ARTICLE 17: To see if the Town will vote to raise and appropriate the sum of \$5,000 for the publication of a History of Jefferson, NH, such sum to be paid by September of 1995 to the publisher, with the Selectmen agents to expend, nonlapsing warrant monies will not lapse until the end of 1995.

ARTICLE 18: To see if the Town will vote to raise and appropriate the sum of \$300 to help pay the insurance premium on the Jefferson Historical building, such sum to be given to the Historical Society Treasurer by August 1994.

ARTICLE 19: To see if the Town will vote to authorize our first Open Space Day to be held in May, its purpose being to improve our scenic views by selective thinning of vegetation along Route 2 between our Historical Society Building and Route 116, to be sponsored by the Conservation Commission. (by Petition)

ARTICLE 20: To see if the Town will vote to accept the provisions of RSA 31:95b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to apply for, accept and expend, without further action by the town meeting, money from a State, Federal or other governmental unit or a private source which becomes available during the fiscal year.

ARTICLE 21: To see if the Town will vote to authorize the Board of Selectmen to dispose of such equipment of the Town as the Selectmen in their sole discretion, deem equitable and just.

ARTICLE 22: To see if the Town will vote to authorize the Board of Selectmen, to indefinitely, until rescinded, to administer and dispose of any real estate, acquired by Tax Collector's deed at public or private sale, as the Selectmen in their sole discretion, deem equitable and just. (RSA 80:80)

ARTICLE 23: To see if the Town shall vote to accept the provision of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue tax anticipation notes?

ARTICLE 24: To see if the Town shall vote to accept the provisions of RSA 202-A:4-c providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the public library trustees to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year?

ARTICLE 25: To see if the Town will vote to authorize the Board of Selectmen to accept gifts of personal property which

may be offered to the Town for any public purpose, pursuant to RSA 31:95-e. The Selectmen must hold a public hearing before accepting such gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property.

ARTICLE 26: To see if the Town will vote to allow the Tax Collector to accept prepayment of taxes.

ARTICLE 27: To transact any other business that may come before this meeting. To see if the Town will vote to withhold its support and endorsement of the final Northern Forest Lands Council Report unless the recommendations in the final Report specifically state that the concept of GREENLINING or its application is not recommended nor is it an option that should even be considered within the geographic area of Coos County. (simply put greenline around an area takes away local control and gives it to some other governmental agency)

** Articles 1 and 2 to be voted by ballot while polls are open.

Given under our hands and seal this 14th day of February in the year of our Lord Nineteen Hundred and Ninety-four.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

We have audited the accompanying general purpose financial statements and the combining individual fund financial statements of the Town of Jefferson, New Hampshire as of, and for the year ended December 31, 1992, as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards, Government Auditing Standards, issued by the Comptroller General of the United States and the provisions of Office of Management and Budget Circular A-128, Audits of State and Local Governments. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Assets group of accounts results in an incomplete presentation as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Jefferson, New Hampshire as of December 31, 1992, and the results of its operations and cash flows of its similar trust fund types for the year then ended in conformity with generally accepted accounting principles. Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the Town of

Jefferson, New Hampshire as of December 31, 1992, and the results of operations of such funds and the cash flows of non-expendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole and on the combining and individual fund financial statements. The accompanying financial information, listed as the supplemental schedule of Federal Financial Assistance, in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements of the Town of Jefferson, New Hampshire. Such information has been subjected to the auditing procedures applied in the audit of the general purpose, combining, and individual fund financial statements and, in our opinion, is fairly presented in all material respects in relation to the financial statements of each of the respective individual funds taken as a whole.

Very truly yours,

FRANCIS J. DINEEN, C.P.A.

Tax Collector

TOWN CLERK'S REPORT

I hereby certify that during the year ending December 31, 1993, I issued 1370 auto registrations collecting for same \$79,833.00 which I turned over to the Treasurer.

I issued 240 dog licenses collecting for same \$1,557.50, which I turned over to the Treasurer.

I collected 1258 Reclamation Trust Fund Fees amounting to \$2,546.00 which I turned over to the Treasurer.

I collected \$5.00 in filing fees, which I turned over to the Treasurer.

I recorded and reported to the State Vital Records Bureau 5 Births, 14 Marriages and 6 Deaths.

My expenses for postage, supplies meeting and convention were \$348.05.

Respectfully Submitted,

OPAL L. BRONSON
Town Clerk

1993 TREASURER'S REPORT

I hereby certify that the year ending December 31, 1993 I have received from the Selectmen, Town Clerk, Tax Collector, Reclamation Trust Fund, and Lancaster National Bank; plus paid Selectmen's orders and carried out other transactions as follows, in the three succeeding separate accounts, to the best of my knowledge.

GENERAL FUND CREDITS

Cash on hand January 1, 1993		\$ 92,762.38

FIRE CHIEF'S REPORT

During the past year the Fire Department responded to twenty-eight fire calls, an increase over last year.

Three of our new members took the fire fighters course and were certified Level One.

Throughout the year members participated in live structural burn training sessions, sharpening their skills by obtaining a better understanding of conditions during a structure fire.

The Department participated in the Jefferson Memorial Day and 4th of July parades, the Lancaster Fair's "Grand Cavalcade", Lancaster's "Parade of Lights" and Gorham's fireman's muster. During "Fire Prevention Week" the Department, with the cooperation of the teachers, made a presentation to the Jefferson Elementary School children. This is always a lot of fun and very educational for everyone involved.

The Fireman's Association hosted a dance and pancake breakfast and sold tickets to their annual raffle, the proceeds from which are used to purchase much needed equipment for the fire department.

During last years spring blizzard, members rallied to the fire station, checked all equipment, put chains on tires, stored extra fuel and manned the station all night. We have a very active group and morale is high.

We lost an engine in one of our trucks. Our own member mechanics rebuilt the engine at a substantial savings to the town.

The Department encourages the use of smoke detectors. A good way to remember to change the batteries is when you change your clock in the spring and fall, change your smoke detector batteries.

I would like to take this opportunity to thank all fire department members and red net operators for their dedicated service. Also member "mutual aid" towns for assisting us in the past year, it's a fine concept, community helping community.

Respectfully submitted,

VYRON D. LOWE, Chief

REPORT OF TOWN FOREST FIRE WARDEN and STATE FOREST RANGER

During Calendar Year 1993, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were campfires left unattended, unsupervised children and debris fires that escaped control. All of these fires are preventable, but **ONLY** with your help!

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done."

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forest and Lands assisted many towns in wildland fire suppression during 1993 and participated in many fire prevention programs. This year, the nation is celebrating Smokey Bear's 50th Anniversary. The State of New Hampshire Forest Protection Bureau will be working with many communities to spread the fire prevention message - "Remember... Only YOU can prevent forest fires." Fire prevention is the most cost effective fire suppression tool. Please be careful around fires and help us and our communities have a fire safe year.

"REMEMBER... SMOKEY HAS FOR FIFTY YEARS!"

FOREST FIRE STATISTICS - 1993

	State	District	Town of Jefferson
Number of Fires	545	9	0
Acres Burned	224	7	0

RICHARD C. BELMORE
Forest Ranger

VYRON LOWE, II
Forest Fire Warden

1993 LIBRARY REPORT

We are pleased to report that 1993 saw a large increase in the number of registered Library patrons.

At this time we would like to thank all those who donated items to the Library during the past year. These gifts are much appreciated.

We are always adding to the Library's collections of books, magazines, and videos. This year saw some significant additions to our books about New England.

In April the students at the Jefferson Elementary School participated in activities based on the theme "My Favorite Book" to celebrate National Library Week.

The Friends of the Library have been very supportive once again this year. Among other things, they provided new lighting for the Library and planted flowers in the outside planters to beautify the walk way.

Once again, the Library sponsored a Summer Reading Program. Chili's T-shirts were given to the children who read the most books. Popular story teller "Papa Joe" made a Jefferson appearance again this year.

In November the Jefferson Elementary Students participated in Children's Book Week by drawing pictures and writing stories based on the theme "Dinosaurs."

Please visit your Library to see what it has to offer as there is something for everyone there.

Respectfully submitted,

ADELE WOODS, Library Trustee Chairman
SHIRLEY CALL, Library Trustee
WILMA CORRIGAN, Library Trustee
BRENDA GROSS, Librarian

BOARD OF ADJUSTMENT REPORT

The members of the Board of Adjustment are appointed by the Selectmen upon the recommendations of the Board of Adjustment. The present members are: Wayne Paschal, Chairman; Joan "Pipp" Saunders, Vice Chairman; Dale Paschal, Kim Perry, Craig Clukay. Alternates are Neil Gross and Burleigh F. Wyman.

The Board of Adjustment met as necessary on the second Thursday of each month in the Selectmen's Office. All meetings were open to the public. All hearings and rehearings are posted at the Town Hall and the Post Office.

The Board held six (6) abutter's hearings. Three (3) setback variances were granted: two (2) special exceptions were granted. The granted special exceptions were: one (1) special exception for a small business engaged in general woodworking and furniture making; one (1) special exception for a home-based business as booking agents. One administrative appeal was denied.

Frank Dineen resigned after years of valuable service.

During the coming year the Board of Adjustment will continue to deal with variances and special exceptions of the Land Use Ordinance.

Respectfully submitted,

RITA M. LARCOMB
Secretary

PLANNING BOARD REPORT

The Jefferson Planning Board consists of the following members: Earl Brooks, chairman; James Brady Jr., vice-chairman; Ernest Angelicola; Vernard B. Bronson; Ernest Gaudes; John G. Miller and Carroll Ingerson representing the Board of Selectmen. Alternate members consist of Rita Cloutier; Peter F. Guest; John Marshall, Douglas Grella and Winnie Ward.

The Board meets on the second and fourth Tuesdays of each month in the Selectmen's office in the Town Hall (excluding 2nd Tuesday in March - Town Meeting). All meetings are open to the public.

The Board held three preliminary hearings; two abutter's hearings and approved two subdivisions, all being minor subdivisions (3-lots and under) and held several consultations (an informal preliminary hearing). One excavation permit was approved following both a preliminary and public hearing.

This past year the Board regretfully accepted the resignations of Board members Marjorie Doan and George Romaine due to constraints on their time.

Board members Ernest Angelicola and Peter Guest have been working on portions of the Master Plan all year. Much has been achieved and the Board hopes to see the Master Plan completed this year. In February questionnaires were sent out and the results analyzed. This information will be incorporated into the writing of the Master Plan.

A public hearing was held to consider Amendment #4 to the Land Use Plan Ordinance which dealt with home-based businesses and was subsequently approved at a special Town Meeting held in June.

A public hearing was held in February to consider adding "Developments of Regional Impact" to the Planning Board "Subdivision Procedures & Regulations". This regulation notifies abutting towns of any proposal before the Board that could impact their town, and was approved by the Board following the hearing.

In December a third public hearing was held to consider proposed Amendment #5 to the Land Use Plan Ordinance which deals with change to the Floodplain Development Ordinance. It was approved by the Board and will be presented at Town Meeting for a vote of the Town.

Three standards from the "Comprehensive Shoreland

Protection Act" were mandated by The Department of Environmental Services to be considered by the Planning Board, Board of Adjustment and Selectmen on any subdivision, use, or development of shoreland within 250' of the public boundary line. For Jefferson this consists of Israel's River from Mill Brook to the Lancaster border.

Rupert Corrigan and Joanna Fyon both gave slide presentations. Rupert on some of the Jefferson homes and businesses to be included in the proposed Historical Society book and Joanna on the Northern Forest Lands Council "Findings and Options".

Board members attended several meetings and workshops sponsored by the following: Department of Environmental Services, North Country Council, Office of State Planning and the New Hampshire Municipal Association. Further, The Board responded to a survey on a "Community Leadership Needs Assessment" requested by the North Country Resource Conservation & Development Area, Inc.

The Board utilizes the services of North Country Council, Town Counsel, NH Municipal Association and private consultants in considering the proposals that come before it.

The Board will continue to work throughout the new year to work on the Master Plan as well as monitoring and updating as needed the Planning Board regulations and Board of Adjustments Land Use Plan Ordinance.

Respectfully submitted,

RUTH C. LOWE, Secretary

EMERGENCY MANAGEMENT REPORT

During the CY 1993 this Office accomplished the following:

1. During the month of March, the Director and Deputy distributed the F.E.M.A. Pamphlet "Are You Ready?", to our voting citizens, during local election day.

The Director also videotaped strategic areas of our Town that were struck by the "Blizzard of '93". Mr. Howard Gaskill, Representative, from the NH Office of emergency Management in Concord, sent an "Application Packet - Snow Removal - Blizzard of '93" (Jefferson was the first community to submit these documents). On May 28, 1993 this Office received a check from the NH State Treasurer in the amount of \$985.00, an additional check was later received in the amount of \$158.00 for a total of \$1,143.00.

2. During the month of May the F.E.M.A. Pamphlet "Helping Children Cope with Disaster" was personalized and distributed to all of the children at our elementary school. A broad description of all disasters (natural and man-made) was also presented, to the teachers as well.

3. During the month of June the Director met with members of the Department of Environmental Services (NHDES) and discussed Hazardous Materials in general, and the potential threat of these chemicals to the citizens and visitors of our Town.

4. During the month of August the Deputy Director, Pauline German, was officially sworn-in by the State Director (O.E.M.), Mr. George Iverson, in Concord, NH.

5. During the month of November the Director and Deputy, along with two representatives of the American Red Cross (Laconia Branch) initiated the (ARC) procedures to establish shelters in our Town. Three sites were chosen: Jefferson School, I.O.O.F., and St. Johns Methodist Church. As of this writing the school would be the primary choice with the other two sites to follow as needed. This Office will keep its citizens informed, concerning this matter.

6. Finally, the Director and Deputy attended seminars and workshops during the year. Those being: 1) Emergency Planning, 2) Continuity of Government and Decision Making, 3) Hazardous Materials Workshop.

Respectfully Submitted,
ROBERT GERMAN, Director
PAULINE GERMAN, Deputy Director

JEFFERSON CONSERVATION COMMISSION ANNUAL REPORT

During this past year, your Commissioners went to a number of workshops sponsored by the NH Conservation Commission of which we are members, the Society for the Protection of NH Forests and the Appalachian Mt. Club. Your Commission was also represented on several informational field trips at Pondicherry Wildlife Refuge under the auspices of the NH Audubon Society and NH Fish and Game. We are continuing to monitor developments that will occur as a result of a change of ownership of adjacent properties to the John Hancock Timber Resource Group.

We attended the informational meetings offered by the members of the Northern Forest Land Council. We studied and addressed its September Funding and Options in a letter to the Council, we also initiated a second letter representing consensus from all eight Coos County Conservation Commissions. A number of County Planning Board members, including our own, also signed on.

With the assistance of our County Forester under the Urban Forestry Program of UNH Cooperative Extension Service, the Commission began a tree planting program for the center of Town. The first tree was planted on Memorial Day, and we were assisted by our local Boy Scout and Cub Scout troops, and our school children. As of this date our tree is thriving.

At our 4th of July celebration, we organized and manned an ice cream booth to raise money for a second tree. The temperature was unseasonably cool, but we netted \$25.00. Many thanks to all those in our Town who offered support and encouragement.

We have completed our Mission Statement. This outlines our short and long term goals as the most effective means of ensuring the proper utilization and protection of Jefferson's natural resources.

Your Commission meets every 3rd Tuesday of the month at 7 p.m. in the Town office, all Town residents are welcome.

Respectfully submitted,

WINIFRED S. WARD
DOUGLAS GRELLA

JEFFERSON HISTORICAL REPORT FOR 1993

The Jefferson Historical Society had an interesting year in 1993 with some 170 people visiting the Museum during the summer, including one gentleman from England.

Students at the Jefferson Elementary School benefitted from loan of various items for special projects, including some of Richard B. Eastman's music which was used for one program.

It is gratifying to make items available for educational purposes, and also to have parents bring their children in to learn about the past and the days before electricity, television and computers.

During the year the Society received books, magazines, a copy of R.B. Eastman's music - "The Old Home of My Childhood", a large collection of slides with viewer and an addition to the butter-making collection of a fan-shaped butter worker. The equipment for making butter is nearly complete except for stamps, molds and a wooden carrying tray.

The collection of pictures, brochures, menus, etc. from the early hotels and boarding houses tell much about the days when Jefferson had many such facilities along Route 2 and other parts of town.

Volunteers gave many hours to show visitors around and much appreciation is due them. The museum is open Sunday afternoons from 1 to 5 p.m. and by appointment during weekdays, from Memorial Day to Columbus Day.

We appreciate the cooperation of the townspeople in supplying pictures and information for the book being prepared for the Bicentennial in 1996 and for assisting with the insurance payments.

The Society meets every month (except December and January) on the second Monday night - at the museum during the summer and at private homes during the winter. Everyone is welcomed to join.

Respectfully submitted,

HELEN MERRILL
President

ANDROSCOGGIN VALLEY REGIONAL REFUSE DISPOSAL DISTRICT

The District ended 1993 with unaudited assets of \$826,631.78 which consisted of the Route 110 Materials Recovery Facility, recycling equipment, land, miscellaneous equipment, office equipment, operating capital and capital reserve accounts. Liabilities were \$600,000.00 which consists of longterm debt to the New Hampshire Municipal Bond Bank for borrowed money used to build and equip the Material Recovery Facility.

Assets and Liabilities

Operating Capital (Cash on Hand)	\$56,063.82
Coos County 1992 Disposable Credit (Cash on Hand)	9,979.23
Household Hazardous Waste Reserve	23,100.60
Equipment Capital Reserve	30,604.74
Landfill Closure Reserve	2,984.63
Landfill Longterm Monitoring Reserve	2,984.62
Landfill Environmental Upset Reserve	2,984.61
Land (Route 110)	47,740.16
Recycling Equipment	117,431.00
Materials Recovery Facility (MRF)	524,458.37
Office Equipment	<u>8,400.00</u>
Total Assets	\$826,631.78
Longterm Debt	(600,000.00)
Net Worth	\$226,631.78

During the period November 1, 1992 through October 31, 1993, the fiscal accounting year for municipal solid waste (MSW), 7,705.56 tons of MSW were disposed of in District approved landfills which represents a 3.17% increase over the previous year. The nominal cost of disposing of this waste at a commercial facility other than Mt. Carberry would have been \$446,922.48. Our Materials Recovery Facility processed 1,429.88 tons of recyclable materials saving an additional \$82,933.04 in tipping fees had this material been disposed of at a commercial landfill. The amount of materials recycled was a 19.16% increase over the previous year. The Materials Recovery Facility also paid net revenues to the District in the amount of \$44,825.78 for those materials marketed by FERCO.

In April 1993, Raymond Chagnon of Berlin was re-elected as District Chairman and John Normand of Northumberland

was elected as Vice Chairman. Joanna Fyon of Jefferson was re-elected as District Secretary/Treasurer. Other District Representatives are Bryan Lamirande of Milan, Fred King of Coos County, Clara Grover of Errol, Earl Wadsworth of Dummer, Yves Zornio of Gorham, Dave Tomlinson of Randolph and Diane Vinyard of Stark.

In June 1993, the District conducted its second Hazardous Waste Collection Day which was held at the Northumberland Transfer Station. The project was funded through a charge of 75 cents per capita for the population of each member municipality based on the 1990 federal census population count. The charge was 25 cents per capita less than the charge levied for the 1992 collection. The State of New Hampshire reimbursed the District at the rate of twenty-five cents per capita after the collection was completed. Numerous hazardous materials were collected including DDT and other dangerous pesticides.

In July, 1993 the District implemented a magazine recycling program and FERCO Recycling, Inc., added additional MRF heating equipment and interior insulation to our recycling facility at their expense. During 1993 the District municipalities maintained their 40% plus recycling rate which included materials processed by FERCO, composting and the Northumberland animal bedding program.

During 1993, the Administrator/Coordinator charged 981 hours of work completed to the District. 1,198 pieces of incoming correspondence were processed and 1,169 of outgoing correspondence. 877 telephone calls were received or made and 22,390 copies were reproduced on the office copier. 108 meetings on numerous subjects and issues were attended.

ROBERT S. PLATT, CET
Administrator/Coordinator

JOANNA G. FYON
Secretary/Treasurer &
Jefferson Representative

NORTH COUNTRY COUNCIL 1993 REPORT

1993 has been a busy year for North Country Council. Our membership stands at forty-four communities, representing 99 percent of the region's population.

The year has seen major successes under the Council's senior staff leadership: David Beauchesne, Regional Planning Coordinator; Cathy Conway, Civil Engineering Coordinator; Claire Douglass, Community Planning Coordinator; and Liz Ward, Small Business Development Coordinator. This team has supervised projects that run the gamut from master planning and sewer system designs to traffic corridor planning, GIS mapping, and micro-enterprise lending. Marghie Seymour, our Solid Waste Planner, continues to provide valuable assistance to the region's solid waste management districts and communities on issues of recycling and solid waste management. Sharon Penney, Transportation Planner, has been providing the support and guidance for the Council's ISTEA Transportation Planning Program. This new program will give NCC members a much greater say in how the New Hampshire Department of Transportation prioritizes transportation construction activities in the North Country in the future.

Other activities completed this year include the third annual business survey, the North Country Ingenuity Fair, household hazardous waste collections, wood products market development planning, business counseling, regionwide computerized wetlands mapping, Northern Forest Lands representation, floodzone management, completion of an industrial environmental site assessment, completion of feasibility studies for industrial development, design of solid waste transfer stations, implementation of the rural plastics recycling program, and regional telecommunications system planning.

In October, the Council celebrated its 20th anniversary year of service to the region with a gathering of former board members, friends, community representatives and staffers in Franconia, our old home town.

The Council is here to serve you. If there is any service we can provide, please do not hesitate to call me or Berta Clark, our Executive Secretary, at our offices in Littleton (444-6303).

Sincerely,
PRESTON S. GILBERT, Executive Director

TRI-COUNTY COMMUNITY ACTION LANCASTER CAP OUTREACH OFFICE

We are requesting the sum of \$525. (Five hundred twenty-five dollars) from the Town of Jefferson to help with the cost of our operating expenses for 1994. The appropriation of \$525, is Jefferson's share to ensure the year-round operation of the CAP Outreach Program which helps to keep Town welfare costs down by utilizing varied funding resources administered through CAP.

1992 - 1993 Fuel Assistance helped 48 households - 130 individuals, of those households 21 were elderly handicapped - 27 individuals with a total of \$18,587.78.

Nov. 29, 1993 to Dec. 17, 1993 - we helped 24 households, 46 individuals total \$9,500, Weatherization 4 households - \$7,477.18, USDA foods - \$1,208.09. Miscellaneous food \$1,361. Total dollars expended to assist Jefferson residents were \$38,134.05.

On behalf of CAP, I would like to express my personal appreciation for your cooperation in working together to help the low-income elderly and handicapped residents of Jefferson.

I look forward to serving your community in 1994.

Sincerely,

HARRIET E. FORBUSH
Outreach Coordinator

WEEKS HOME HEALTH SERVICES, INC.

Weeks Home Health Services, Inc. is a not for profit subsidiary of Weeks Memorial Hospital serving seven towns: Dalton, Groveton, Jefferson, Lancaster, Randolph, Stark, and Whitefield.

The services provided are Skilled Nursing, Home Health Aide, Homemaking, Physical and Occupational Therapy and Speech Pathology within a person's home.

Other services provided are community screening and influenza vaccine clinics.

Our commitment to quality is evidenced in obtaining Joint Commission on Accreditation of Healthcare Organizations accreditation and continued Medicare and State recertification.

No one is denied service because of their inability to pay, and frequency of visits depend on need.

Services provided to the town of Whitefield for Fiscal Year October 1, 1992 to September 30, 1993 are as follows:

	Visits 1993	Visits 1992
Skilled Nursing	186	271
Physical Therapy	59	20
Speech Therapy	4	0
Occupational Therapy	9	0
Home Health Aide	196	155
Homemaker (1/2 hour units)	0	47

In past years we have based our request on the population figures obtained from the State Planning Office. Weeks Home Health has determined that again this year the agency will not request an increase in the amount of town support.

Requested Support \$3,390.57

Thank you for your continued support which enables Weeks Home Health to continue providing community health care.

Sincerely,

ROXANNA WHITE, RN
Executive Director

WHITE MOUNTAIN MENTAL HEALTH AND DEVELOPMENTAL SERVICES 1993 Director's Report

During 1993, White Mountain Mental Health and Developmental Services has provided quality services to 960 individuals and their families. Consumers of our services range from newborn infants with developmental problems to nursing home residents referred for psychiatric consultation.

Mental Health Services

We continue to offer a full range of outpatient mental health services in spite of ever decreasing reimbursement from third party payers. The nationwide trend in health care toward brief, carefully monitored services has impacted the mental health field, and we strive to offer effective and cost efficient treatment. Our mental health services staff of licensed professionals are constantly updating their skills and refining techniques to provide "state of the art" treatments in a rapidly changing field. Some of our newer programs and services include:

- Seasonal Affective Disorder assessment and treatment. The use of high intensity full spectrum light in the treatment of "winter" depression.

- "The Recovery Connection", a program specifically directed toward assisting individuals who suffer from alcohol or drug problems. This program combines education, counseling, family support, and referral to self help recovery programs to assist in the difficult process of getting and staying "clean and sober".

- The ACUDO Program, a partnership with the Division of Children and Youth Services and local schools to provide an active, outdoor activity based alternative to traditional "talk" therapy for youth identified as being in imminent danger of residential placement. This highly successful program is being used as a model for other such programs across the state.

- The Children's Outreach Program, which provides intensive home based services to children and their families.

These newer programs join our traditional array of services offered to consumers in twenty-two towns. We continue to operate outpatient offices in Littleton, Lancaster, Woodsville, and Lincoln to help make our services available as close to our

clients' homes as possible. Maintaining these decentralized offices is an increasing challenge, given the increases in cost to maintain and staff several offices. Local financial support helps offset some of this expense, and is greatly valued.

Developmental Services

Our Developmental Services programs have been experiencing a period of evolution as we work to provide individualized programs dedicated to the philosophy that all persons have the right to meaningfully participate to their fullest potential in the life of their communities. Our services build on our customers' individual capacities and natural supports within the family and community while assisting in the enhancement of personal, social, vocational, and physical functioning. This year we are proud of some special accomplishments:

- We have assisted one of our developmentally disabled clients in purchasing her own home, with funding provided through a special "Home of Your Own" project. This represents a giant step toward independence and security for an individual who would have previously spent her life either dependent upon family or living in a series of costly supervised "placements" in the community.

- Our Early Intervention Program is currently expanding to better serve young children and families by providing early identification of conditions which commonly lead to developmental delays. New recruitment efforts include the addition of a Physical Therapist, Speech Pathologist, Certified Clinical Social Worker, and an additional Child Development Specialist to our existing staff.

- Our consumers are working in many community settings, both as paid employees and as volunteers. This community integration is possible only when local businesses recognize the economic benefits of giving "a chance" to an individual who might otherwise be passed over for employment. We, and our consumers, are grateful to the area businesses who have realized the potential of these disabled individuals as loyal, stable, and hard working employees.

As our agency begins a new year, we are indebted to Dennis MacKay, who has guided WMMH&DS as Area Director for the past twelve years. Dennis left in September to assume the position of Associate Director of Mental Health Services for Northern New Hampshire Mental Health and Developmental

Services. Happily, our agency continues to benefit from his leadership through our affiliation with NNHMH&DS. It is our hope that with the support of our local communities, we will move forward to provide the best possible services, including new and innovative programs, in 1994.

Sincerely,

JANE C. MACKAY, CCSW
Area Director

ENMAN SCHOLARSHIP FUND

1993 was the tenth year for the Scholarship honoring the late Charles and Dorothy Enman who were both active and highly regarded in the Jefferson Elementary School. The fund was able to provide scholarship funds for Meredith Sanborn and Monique Violet in 1993.

Any Senior who is a resident of Jefferson attending either high school or private school, regardless of location and planning on continuing his or her education is eligible to apply for this scholarship.

We would like to again thank all who have donated to the fund.

Donations may be made by taking or sending checks to any of the committee. Checks should be made payable to: Charles Enman Scholarship Fund.

Scholarship Recipients are chosen by the Jefferson Library Trustees.

1994 Committee

MARIETTA INGERSON

ELAINE KENISON

ARDEANE SAUCIER

NEVERS - TOWN OF JEFFERSON SCHOLARSHIP FUND

The Nevers Scholarship Fund was founded in 1981 by the family of Wilbur and Gurda Nevers in honor of their 50th Wedding Anniversary. This scholarship is to help any high school senior from Jefferson who wishes to further her/his education. Any student wishing to apply for the scholarship may acquire an application at the White Mts. Regional High School.

There were many worthy applicants this year. The recipients were Aaron Cloutier, Adam Jensen, and Francine Lemieux. We wish each of these young adults much success in furthering their education.

We wish to thank the Nevers family and all other donors very much for their continuing contributions to the scholarship fund. Donations are very welcome at any time and should be sent to the Nevers-Town of Jefferson Scholarship Fund in care of Bruce Sanborn, Trustee of the Trust Funds.

Respectfully submitted,

ADELE WOODS, Library Trustee Chairman
SHIRLEY CALL, Library Trustee
WILMA CORRIGAN, Library Trustee
OPAL BRONSON, Town Clerk
BRENDA GROSS, Librarian
